Generations of Innovation for Laundries Worldwide

All-New at Clean '13 and You're Invited! *Strongest Cart Cover We've Ever Offered*

No matter what your linen carts look like on the inside, they will look clean and pristine while your linens are protected from the elements when wrapped inside our new, extra heavy-duty cart covers.

These are made in the USA from rugged, waterproof, vinyl-coated nylon. They come with serious heft to protect the carts from scratches and scuffs, guard the linens against contamination and deter casual theft.

Your route drivers and other staffers will feel just as proud to show them off as our own Kylie Osborne. Each linen cart cover is individually custom sewn to fit any linen cart from any manufacturer worldwide. **Call your Tingue rep or [800.829.3864](tel:800.829.3864) with questions or for a quote.**

New at Clean '13! Black Knight Belting

There's belting that's strong, then there's our new belting that's Army Strong. Inspired by the United States Military Academy at West Point, our latest **Black Knight laundry belting brings impressive strength** to your folders, flatwork ironers, feeders and other laundry equipment.

It's just tough, lasts a long time and doesn't cost a lot.
